LEVITT BLOC MIAMI

PRESENTED BY THE UNDERLINE

A live music platform connecting brands with community, culture, and Miami audiences through free public concerts, premium experiences, and digital storytelling.

OVERVIEW

What is the Levitt BLOC Miami Music Series?

The Levitt BLOC Miami Music Series is The Underline's live music platform designed to bring high-quality, culturally relevant performances to Miami through a mix of standalone concerts and a larger festival experience.

This series creates opportunities for brands to connect with audiences through live music, shared cultural experiences, and meaningful community engagement in one of Miami's most unique public spaces.

The 2026 series currently includes:

2 concerts on July 18 and 19 at the Inter Stage

1 concert early October during Caribbean Carnival
Date (TBD)

1 concert on August 8th at the Nikki Spoelstra Play Forest

6 concerts batched together on October 30 and 31 as The Underline Festival
Inter Stage and Urban Gym

- Programming across both the **Inter Stage** and **Urban Gym**
- A digital content strategy that extends the impact of the series beyond the live event

Music, culture, and community in the heart of Miami

The Levitt BLOC Miami Music Series is more than a concert series. It is a cultural platform that allows The Underline to bring people together through accessible public programming while creating meaningful partnership opportunities for brands.

Why it matters:

- **Accessible cultural programming** through free, ticketed concerts
- **High-energy community experiences** in an iconic outdoor setting
- **Premium touchpoints** through VIP ticketing, hospitality, food, and beverage
- **Content amplification** through digital storytelling and social distribution
- **Brand relevance** through authentic integration into music, culture, and community

This is an opportunity for brands to show up in a way that feels participatory, visible, and culturally aligned.

VENUES + EVENT ENVIRONMENT

Inter Stage

- More intimate concert environment
- Ideal for high-energy standalone performances and brand visibility in a contained setting

500 **Estimated Capacity!**

Urban Gym

- Larger-scale event environment
- Ideal for festival programming, stage sponsorship, hospitality, activations, and expanded audience engagement

1500 **Estimated Capacity!**

VENUES + EVENT ENVIRONMENT

Nikki Spolestra Play Forest

- Ideal for kids and family focused performances and brand visibility in a contained setting

Inter Grove Gallery

- Larger-scale event environment
- Ideal for festival programming, markets, hospitality, activations, and expanded audience engagement

→ A multi-space music experience

The Levitt BLOC Miami Music Series will activate two distinct venues within The Underline, each offering a different scale and audience experience.

→ Event environment opportunities

- Main stage branding
- VIP lounge
- Bars and beverage service areas
- Food vendor footprint
- Check-in and welcome moments
- Content capture zones
- Sponsor activations and branded experiences

Site plans and event footprints are illustrative and subject to refinement.

TICKETING + GUEST EXPERIENCE

Free entry. Premium touchpoints. Built-in engagement.

The Levitt BLOC Miami Music Series is designed to maximize public access while creating premium moments for guests and strong visibility for sponsors.

TICKETING

- All concerts are **free but ticketed**
- Event registration will be managed through **Eventbrite**
- Ticketing enables audience capture, pre-event communication, and a more structured guest experience

VIP EXPERIENCE

- A **limited quantity of VIP tickets** will be sold
- VIP creates an elevated guest tier for hospitality, premium viewing, and sponsor integration
- VIP allows for additional revenue generation and premium sponsor opportunities

FOOD & BEVERAGE

- Food vendors will be part of the event experience
- Alcohol will be sold on-site
- These elements help create a fuller guest experience and open additional sponsor categories

This structure creates a layered event experience that is accessible, culturally engaging, and commercially valuable.
